- (2) Company will maintain an internal DNC list of telephone numbers of those consumers who request not to receive telemarketing calls from, or on behalf of, Company. These telephone numbers will remain on Company's internal DNC list indefinitely, or until they opt back in or it is determined that the number has been reassigned to a different party.
- (3) Once a consumer's name is added to the Company's internal DNC list, he or she may not be contacted by, or on behalf of, Company for telemarketing purposes. Company customers may still be contacted for non-telemarketing purposes such as purely customer service or billing issues.
- (4) Company will remove from its calling lists the telephone numbers of those individuals who submit DNC requests directly to Company. Additionally, any consumer who previously provided consent to be called may revoke that consent at any time and in any reasonable manner.

- (5) No special language is required of the consumer in order to make a DNC request; Company will honor any statement expressing the individual's desire not to receive future marketing calls. Such requests are to be promptly recorded in Company's DNC database, but it may take up to thirty (30) days to be fully implemented.
- (6) If a consumer has their number reassigned, then that number may be deleted from Company's internal DNC list.
- (7) Company will obey all other state and federal DNC lists and regulations, except where exempt, including by obtaining and scrubbing against the National DNC registry at least once every 31 days.
- (8) Upon request, Company will promptly mail a copy of this DNC policy to any call recipient.
